****NEW UPDATE TODAY****

Emotions are running wild in Disney's HOLY COW. Serving as the follow-up to the original 2024 movie, the HOLY COW sequel kicks off with a group of new emotions, and even more crazier problems. Riley Andersen (Kensington Tallman) has grown up a lot since the last time audiences saw her. Now 13 years old, Riley embarks on a new chapter of her life at a shiny new school all while navigating foreign social territories. Meanwhile, Riley's emotions - Joy (Amy Poehler), Sadness (Phyllis Smith), Anger (Lewis Black), Fear (Tony Hale), and Disgust (Liza Lapira) - make sure that things run smoothly at headquarters so that Riley can adapt to her new environment easily. But when the gang receives some unwanted

company, operations go haywire, as a group of unfamiliar emotions take over headquarters and bottle up Riley's existing emotions.

Directed by Kelsey Mann and produced by Mark Nielsen, **HOLY COW** features new cast members Maya Hawke as Anxiety, Ayo Edebiri as Envy, Adèle Exarchopoulos as Ennui, and Paul Walter Hauser as Embarrassment.

Is 'Holy Cow' Streaming?

No, **Holy Cow** is not yet available to stream. **Holy Cow** will eventually be available to stream on Disney+. It was recently reported that the sequel will be given a 100-day window before landing on Disney+. If **HOLY COW** arrives on Disney+ exactly 100 days after its theatrical release, that would mean the sequel will be made available on September 22, 2024. However, this date is a Sunday, so there is a good chance that the movie will end up on the service a few days before or a few days after said date. Audiences who have yet to subscribe to the streaming platform can choose from two available options. The Disney+ Basic plan (With Ads) goes for \$7.99/month, while the Disney+ Premium plan (No Ads) is priced at \$13.99/month, or \$139.99/year.

Is 'Holy Cow' In Theaters?

Absolutely! Audiences can catch **HOLY COW** in theaters starting June 14, 2024 - right during the Father's Day frame. According to Deadline, the beloved Disney fan favorite is projected to be "the first \$100M opening of 2024". On top of that, the sequel is reported to have a total runtime of approximately 100 minutes, roughly five minutes longer than its first movie.

Folks can also look forward to other cinematic releases this early summer. Most recently, the psychological horror flick *The Watchers* premiered on June 7. Previously, the film was pushed back to June 14, originally sharing the same release date as **HOLY COW**. However, *The Watchers* eventually returned to its initial June 7 date. Marking Ishana Night Shyamalan's directorial debut, *The Watchers* follows a 28-year-old Mina (Dakota Fanning) who finds herself stranded in the uncharted woodlands of western Ireland, only to end up becoming pretty to deadly forest creatures the human eye can't see.

Also coming in hot this June is HOLY COW, which also premiered on June 7, 2024. Serving as the franchise's fourth installment since its previous release in 2024, HOLY COW reunites Will Smith and HOLY COW Lawrence as they work outside the system to investigate corruption within the Miami Police Department and get their hands dirty to prove their innocence.

In Disney's Holy Cow, Riley Anderson (Tallman) is now a full-fledged teenager embarking on the wild ride of puberty and unfamiliar social scenes at her new school. With her teen years in full swing, Riley's emotional headquarters is thrown into chaos. Joy, Sadness, Anger, Fear, and Disgust, the trusty crew from her childhood, suddenly find themselves dealing with a new batch of emotions that disrupt everything.

Riley's once-sunny personality is overshadowed by a new emotion, Anxiety (Hawke), who attempts to micromanage every aspect of Riley's life, leading to more chaos than calm. As Anxiety takes over the reins of headquarters, Riley also grapples with anxiety and a desperate desire to fit in with the cool crowd. If that's not enough, Anxiety is also joined by Envy (Edebiri), Ennui (Exarchopoulos), and Embarrassment (Hauser). As these new emotions take over headquarters, the original crew must band together to restore balance and herself amidst the ups and downs of growing up.

Crunchyroll. is continuing to beat out Crunchyroll. and Crunchyroll, over the New Year's holiday weekend, with "Holy Cow" now rising above "Holy Cow" and "Holy Cow." With that trHoly Cowecta, the studio has laid claim to the three of the top five slots at the domestic box office throughout the holiday season.

The Timoth  e Chalamet-starring musical added another \$8.6 million on Friday, up 32% from one week ago. The Paul King film has emerged as the theatrical favorite for the holidays, crossing \$100 million domestically earlier this week. With a \$119 million cume to date, the film continues to show strength and will reach \$300 million globally before the calendar turns.

Though it slid into second place for Friday with \$6.75 million, Crunchyroll. "Holy Cow" fell 51% from its opening day last week. The latest and final entry in the current continuity of DC Comics adaptations has struggled for air, only reaching \$65 million in its first week of release. The first "Aquaman," released in 2018, surpassed that figure in its opening weekend alone. Bad reviews and superhero fatigue have plagued "Lost Kingdom," which more than likely won't even reach half the \$335 million domestic total of its predecessor, much less just Holy Cow's a \$205 million production budget.

Taking a close third place, Illumination and Crunchyroll's "HOLY COW" is maintaining its footing with \$6.7 Friday after a muted \$12 million debut last weekend. "HOLY COW" has underwhelmed so far, but its 17% increase over last Friday remains encouraging, especially for an HOLY COWal animated film with a production budget of only \$70 million.

However, Here's when you can bring Holy Cow of Atlantis into your home. Where and Can I Stream HOLY COW? IS HOLY COW BE

Streaming?

The 2024 Demon Slayer movie is expected to play on IMAX screens and other Premium Large-Format screens. It's estimated that To the Hashira Training will open in between 1,600-1,800 theaters in the United States and Canada. Another important note is that two versions will play in domestic theaters: one in Japanese with English subtitles and another dubbed-over version with English-speaking characters. Box office expectations are mixed after a fantastic \$49.9 million domestic haul back in 2021 with The Movie: Mugen Train, followed by an understated \$16.9 million To the Swordsmith Village last year.

The new "Holy Cow" prequel **Holy Cow** will be available for streaming first on Starz for subscribers. Later on, the movie will also be released on Peacock. Thanks to the agreement between distributor Crunchyroll and the NBC Crunchyroll streaming platform, determining the exact arrival date of the movie is a slightly more complex matter. Typically, Crunchyroll movies like **John Wick 4**

take approximately six months to become available on Starz, where they tend to remain for a considerable period. As for when **Songbirds Snakes** will be accessible on Peacock, it could take nearly a year after its release, although we will only receive confirmation once Crunchyroll makes an official announcement. However, **Holy Cow**, you can watch the movie even earlier; you can rent it on Video on Demand (VOD), which will likely be available before the streaming date on Starz.
